TRADEMARK ASSIGNMENT

TRADEMARK ASSIGNMENT, dated January 31, 2008 (this "**Trademark Assignment**"), by among **CLINICAL CARE TARGETED COMMUNICATIONS GROUP, LLC**, a New Jersey limited liability company (successor in interest to INTELLISPHERE LLC, and referred to herein as the "**Assignee**"), and **MEDICAL WORLD BUSINESS PRESS, INC.**, a New Jersey corporation ("**MW Business Press**"), **ROMAINE PIERSON PUBLISHERS, INC.**, a Delaware corporation ("**Romaine Pierson**") and **MEDICAL WORLD COMMUNICATIONS, INC.**, a Delaware corporation ("**MW Communications**") and each of them and together with MW Business Press and Romaine Pierson, the "**Assignors**".

Each of the Assignors and the Assignee are hereinafter referred to as a "**Party**" and collectively as the "**Parties**." Capitalized terms used herein but not otherwise defined herein shall have the respective meanings ascribed to them in the Asset Purchase Agreement, dated as of January 11, 2008, by and among the Assignee and the Assignors (the "**Asset Purchase Agreement**").

Recitals

A. The Assignors are the owners of all rights, title and interest in and to the Trademarks identified on **Exhibit A** hereto (hereinafter collectively referred to as the "**Trademarks**").

B. The Assignors have agreed to sell, assign, transfer and deliver to Assignee all of their rights, title and interest in and to the Trademarks, including any and all goodwill associated therewith, on the terms and subject to the conditions set forth herein and in the Asset Purchase Agreement.

Accordingly, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Assignment of Trademarks. Based on the terms and subject to the conditions set forth in this Trademark Assignment and the Asset Purchase Agreement, each Assignor does hereby sell, assign, transfer and deliver to Assignee and its successors, assigns and legal representatives or nominees, all of such Assignor's rights, title and interest, for all countries, jurisdictions and political entities of the world, in and to the Trademarks, including, without limitation, all benefits, privileges, causes of action, and the exclusive rights to (a) apply for and maintain all registrations, renewals and/or extensions thereof, (b) sue for past, present, and future infringement and to collect damages therefor, and (c) grant licenses or other interests to and in the Trademarks. The foregoing includes, and each Assignor does hereby assign, convey, transfer and deliver to Assignee, any and all goodwill symbolized by and/or associated with the Trademarks.

2. Further Assurances. Each Assignor agrees that upon request it shall, at any time and without charge to Assignee, sign all papers, take all rightful oaths, and do all acts which may be necessary or desirable to vest title to the Trademarks in

Assignee or in its successors, assigns and legal representatives or nominees. Each Assignor hereby appoints Assignee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in place and stead of such Assignor and in the name of such Assignor or in its own name, for the purposes of carrying out the terms of this Trademark Assignment, to take all necessary actions to vest title and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Trademark Assignment.

3. No Rights in Third Parties. Nothing expressed or implied in this Trademark Assignment is intended to or shall confer upon any Person, other than the Parties and their respective successors and assigns, any rights, remedies, obligations or liabilities under or by reason of this Trademark Assignment.

4. Successors and Assigns. This Trademark Assignment shall bind and inure to the benefit of the Parties and their respective successors and assigns.

5. Governing Law. This Trademark Assignment and all claims with respect thereto shall be governed by and construed in accordance with the internal, substantive laws of the State of New Jersey for agreements to be wholly performed therein, without giving effect to any provisions relating to New Jersey conflicts of laws principles.

6. Amendments. No amendment or modification of this Trademark Assignment shall be effective unless it is set forth in writing and signed by each of the Parties hereto.

7. Counterparts. This Trademark Assignment may be executed in one or more counterparts, and by the different Parties hereto in separate counterparts, each of which shall be deemed to be an original but all of which taken together shall constitute one and the same original.

[Signature page follows]

IN WITNESS WHEREOF, the Parties have caused this Trademark Assignment to be duly executed as of the day and year first above written.
